Sir:

Prior to initial examination of the above-identified application, Applicants respectfully request consideration of the below remarks.

REMARKS

In the Office Action dated May 29, 2002, it is indicated that certain claims are rejected over the Klug et al. reference, it being alleged that blowing agent compositions IV, V, D and E as claimed are disclosed by the reference. It is further alleged that it would have been obvious to those of ordinary skill in the art to control foam density by adjusting characteristics such as the amount of
